

Ciner Resource Partners LLC

Charter of the Audit Committee of the Board of Directors

(Adopted effective as of January 1, 2020)

The Board of Directors (the “Board”) of Ciner Resource Partners LLC (the “General Partner”), acting in its capacity as the general partner of Ciner Resources LP (the “Partnership” and, together with its subsidiaries and the General Partner, “Ciner Resources”), has established the Audit Committee of the Board (the “Audit Committee”) with the authority, responsibility and specific duties as described in its charter. Effective upon approval by the Board on the date set forth above, this Audit Committee Charter will supersede the previously existing charter of the Audit Committee in its entirety.

I. Statement of Purpose

The Audit Committee is appointed by the Board to assist the Board in fulfilling its oversight responsibilities relating to corporate accounting and financial reporting processes and the quality and integrity of the financial statements of the Partnership. The Audit Committee’s primary duties and responsibilities are to:

- serve as an independent and objective body to monitor the integrity of the Partnership’s financial statements and its financial reporting process and systems of internal controls regarding finance and accounting;
- monitor compliance by Ciner Resources with legal and regulatory requirements, including review of Ciner Resources’ disclosure controls and procedures;
- evaluate the qualifications, independence and performance of Ciner Resources’ independent registered public accounting firm (the “Independent Auditor”);
- review and evaluate the activities, organizational structure, qualifications and performance of Ciner Resources’ internal audit and finance functions (which internal audit function may be outsourced to a third-party service provider other than the Independent Auditor);
- provide a means of communication among the Independent Auditor, management (including persons performing an internal audit or finance function) and the Board; and
- fulfill the other responsibilities set out herein.

Although the Audit Committee has the responsibilities and powers set forth in this Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Partnership’s financial statements are presented in accordance with generally accepted accounting principles and that its disclosures are complete and accurate. Rather, these responsibilities fall on management, the Independent Auditor and any internal auditors (or any outside firm filling such role).

The Audit Committee members are not required to be professional accountants or auditors

and their functions are not intended to duplicate or to certify the activities of management, the Independent Auditor and any internal auditors (or any outside firm filling such role), nor can the Audit Committee certify that the Independent Auditor is “independent” under applicable rules. Rather, the Audit Committee serves a Board-level oversight role in which it oversees Ciner Resources’ relationship with the Independent Auditor, as set forth in this Audit Committee Charter, receives information and provides advice, counsel and general direction, as it deems appropriate in its good-faith judgment, to management, the Independent Auditor and any internal auditors (or any outside firm filling such role), taking into account the information it receives, discussions with the Independent Auditor and any internal auditors (or any outside firm filling such role) and the experience of the Audit Committee’s members in business, financial and accounting matters.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the Independent Auditor and any internal auditors (or any outside firm filling such role), as well as any other individual in Ciner Resources. The Independent Auditor is ultimately accountable to the Audit Committee and the Board.

Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons within and outside of Ciner Resources and the members of management from which it receives information; (ii) the accuracy of the financial and other information provided to Ciner Resources absent actual knowledge to the contrary (which shall be promptly reported to the Board); and (iii) statements made by the officers and employees of Ciner Resources or third parties as to any information technology, internal audit and other non-audit services provided by the Independent Auditor or any internal auditors (or any outside firm filling such role).

II. Organization

The Audit Committee shall be composed, absent a temporary vacancy, of three (3) or more directors, as determined by the Board. Each member of the Audit Committee shall:

- meet the independence requirements of the New York Stock Exchange (“NYSE”), Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and all rules and regulations promulgated thereunder by the U.S. Securities and Exchange Commission (the “SEC”);
- be financially literate, as defined by the Board in its business judgment, or must be able to become financially literate within a reasonable period of time after his or her appointment to the Audit Committee; and
- at least one member of the Audit Committee shall be an “audit committee financial expert,” pursuant to Item 407(d)(5)(ii) of Regulation S-K, as determined by the Board, and, any such person who satisfies this definition of audit committee financial expert will also be presumed to have accounting or related financial management expertise.

The Board shall appoint the Audit Committee members; members shall serve until their successors shall be duly elected and qualified. The Board shall appoint one (1) member of the Audit Committee as “Chairperson,” who must have accounting or related financial management expertise, as defined by the Board in its business judgment. The Chairperson shall be responsible

for leadership of the Audit Committee, including preparation of the agenda, presiding over meetings, making committee assignments and reporting to the Board. If a vacancy on the Audit Committee exists for the position of “audit committee financial expert,” the Board will endeavor to fill such vacancy with another “audit committee financial expert” as soon as practically possible. If the Board shall fail to elect a Chairperson, or should the Chairperson be absent or unavailable to serve at a meeting, then the Audit Committee may designate a member of the Audit Committee to serve as Chair pro tempore for the meeting by majority vote of the members of the Audit Committee present at the meeting. Members of the Audit Committee may not simultaneously serve on the audit committees of more than two (2) other public companies, unless such service is approved by the Board upon its determination that such simultaneous service will not impair the ability of such member to effectively serve on the Audit Committee, and the Board discloses such determination as required by the NYSE Listed Company Manual.

If a member of the Audit Committee ceases to satisfy the independence requirements discussed above for reasons outside the reasonable control of such member, the member may remain on the Audit Committee until one (1) year from the occurrence of the event that caused the failure of such member to be independent, provided that the chief executive officer of the General Partner shall provide notice to the NYSE promptly upon learning of the event or circumstance that caused the noncompliance pursuant to Section 303A.12 of the NYSE Listed Company Manual. Notwithstanding the foregoing membership requirements, no action of the Audit Committee will be invalid by reason of any such requirement not being met at the time such action is taken.

The Audit Committee shall meet at least quarterly at such times and places as the Audit Committee shall determine. Meetings of the Audit Committee may be held in person or by telephone conference or similar communications equipment by means of which all persons participating in the meeting can hear each other, and otherwise shall be held in accordance with the Amended and Restated Limited Liability Agreement of the General Partner, as may be amended from time to time (the “LLC Agreement”). When necessary, the Audit Committee shall meet in executive session outside of the presence of any officer of Ciner Resources. The Audit Committee shall also meet with the Independent Auditor outside of the presence of any officer of Ciner Resources at least annually. The Chairperson of the Audit Committee shall regularly report on activities of the Audit Committee to the full Board. The Audit Committee will keep minutes of its meetings and will make such minutes available to the full Board for its review. A majority of the members of the Audit Committee shall constitute a quorum to transact business. The effectiveness of any vote, consent or other action of the Audit Committee in respect of any matter shall require either (i) the presence of a quorum and the affirmative vote of at least a majority of the Audit Committee members present or (ii) the written consent (in lieu of meeting) of the Audit Committee members having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of the Audit Committee at which all Audit Committee members entitled to vote thereon were present and voted. In fulfilling its responsibilities, the Audit Committee shall have authority to delegate its authority to subcommittees, in each case to the extent permitted by applicable law.

III. Committee Responsibilities and Duties

A. Independent and Internal Auditor

1. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged by Ciner Resources, including the Independent Auditor (including the resolution of disagreements between management and the Independent Auditor regarding financial reporting). 3. The Audit Committee establishes policies and procedures for the review and pre-approval of all auditing services, internal control related services and all non-audit services provided by the Independent Auditor and to the extent required by the Exchange Act and the Sarbanes-Oxley Act of 2002, as amended. Approval may be made by (1) one or more members of the Audit Committee, as designated by the Audit Committee and/or its Chairperson. The designated member(s) shall report all approved non-audit services to the Audit Committee at the next scheduled meeting, and the Audit Committee shall decide whether the provision of these non-audit services is compatible with the independence of the Independent Auditor. The Audit Committee does not delegate to management its responsibilities to pre-approve services performed by the Independent Auditor.

4. The Audit Committee establishes clear guidelines that comply with SEC regulations for the engagement or hiring by Ciner Resources of any individual either currently employed by the Independent Auditor or employed by the Independent Auditor preceding the proposed hire date.

(d) other material written communications between the Independent Auditor or any internal auditors (or any outside firm filling such role) and management, such as any management letter or schedule of unadjusted differences.

8. The Audit Committee meets with the Independent Auditor periodically during each fiscal year, including private meetings without the presence of management, and reviews written materials prepared by the Independent Auditor, and, as appropriate:

(a) reviews the Partnership's financial statements and discusses any matters of concern arising in connection with audits of such financial statements, including any adjustments to such statements recommended by the Independent Auditor or any other results of the audits;

(b) considers and reviews, as appropriate and in consultation with the Independent Auditor, the appropriateness and adequacy of the Partnership's financial and accounting policies, procedures and internal accounting controls, including electronic information system controls and security, and, as appropriate, the internal controls of key service providers, and reviews management's responses to the Independent Auditor's comments relating to those policies, procedures and controls, and to any special steps adopted in light of material control deficiencies;

(d) reviews with the Independent Auditor the matters required to be discussed by AS No. 1301 or other professional standards relating to the conduct of an audit.

(b) any material issues raised by the most recent internal quality control review, or peer review, of the Independent Auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five (5) years, respecting one (1) or more independent audits carried out by the Independent Auditor, and any steps taken to deal with any such issues; and

(c) any relationships between the Independent Auditor and Ciner Resources or any other relationships that may adversely affect the independence of the Independent Auditor, consistent with the applicable requirements of the Public Company Accounting Oversight Board regarding the Independent Auditor's communications with the audit committee concerning independence. The Audit Committee shall review and discuss with the Independent Auditor this written statement and, based on such review, assess the independence of the Independent Auditor.

2. The Audit Committee reviews periodically with management, the Independent Auditor and any internal auditors (or any outside firm filling such role):
